-----

We aim to be the first local lithium supplier into an integrated European battery supply chain. Located 270km SW of Vienna, in Carinthia, Austria, ...

This project combines high-capacity lithium battery storage, advanced hybrid inverters, and next-generation PERC solar panels to provide clean, reliable, and cost-effective power in a region ...

As a specialist in reusable plastic packaging, we develop and produce innovative battery packaging for your Li-ion batteries - from standardized ...

As the EV and ESS markets continue to expand, innovations in lithium-ion Battery Packs, such as improvements in energy density, cycle life, and cost reduction, will further enhance their ...

We are proud to announce the successful installation of a containerized lithium battery energy storage system in Austria, shipped directly from our manufacturing base.

The ThorPak®; battery container from Wi-Sales is specially designed for the safe transportation of lithium-ion batteries. With robust ...

The ThorPak®; battery container from Wi-Sales is specially designed for the safe transportation of lithium-ion batteries. With robust materials and innovative designs, this container offers ...

We combine high energy density batteries, power conversion and control systems in an upgraded shipping container package. Lithium batteries are ...

Utilizing Tier 1 280Ah LFP battery cells, each BESS is designed for a install friendly plug-and-play
