-----  
When will new maritime regulations take effect in the Bahamas?

These new regulations are slated to take effect on July 1, 2025, so any boat owners planning a trip to the Bahamas on their own boats in the immediate future should closely monitor the situation to stay informed as to current Bahamian law. Stay updated on maritime regulatory changes by subscribing to our newsletter.

Which companies are coming out with foldable containers?

Staxxon is another company that is coming out with foldable containers. This year, the US-based company operating out of New Jersey began trials of their foldable containers collaborating with freight vessels, road transport operators, and railcar companies.

What is a foldable container?

Such foldable containers are compatible with the normal ISO-approved TEU or FEU and are strong enough to be placed anywhere on a shipboard stack. Any number of containers from 2 to 5, can be folded and stacked in such a way to form a regular container size for transport or storage.

Are foldable containers a good idea?

Yes. It's that simple. It's true, all the big shipping lines and shippers have seen the full potential of our foldable containers. Cutting out inefficiency in the supply chain and hitting corporate sustainability goals as well. It's time for you to take responsibility.
