Solar Green Energy Cambodia (SOGES) was founded by a group of Cambodian technicians as a Renewable Energy Development Association based in Kampong Thom province in 2008.

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market.

**Pure sine wave inverter?:** This is a true pure sine wave inverter, very suitable for your equipment with inductive loads, and the output current is more stable.

Khmer Solar installs high frequency hybrid inverters for flexible system design. These inverters may be combined together in string for additional modular capacity.

Shop Modified Sine Wave Inverter 12v 24v 48v 60v To 220v at best prices at Desertcart Cambodia. FREE Delivery Across Cambodia. EASY Returns & Exchange.
