What is a folding container house?

Folding container house is the superior hot product in Wellcamp products. Fireproof IEPS sandwich panel is used for wall and roof with galvanized steel and 100% folding design. Within 4 minutes three workers can install one house, 7 days can build a city.

What is shipping container camping?

Campers also seem increasingly interested in exploring new ways to camp, like glamping or RV excursions. Shipping container camping also made the cut, helping provide the camping industry with a functional, safe, and aesthetic alternative. Below, we'll explore what it's really like to spend time at a campsite made entirely from cargo containers.

Are shipping container cabin units a good option for glamping?

Glamorous camping or 'glamping' has become somewhat of a buzzword as of late. It refers to a camping experience that combines the serenity of nature with a resort-style experience. Shipping container cabin units provide the perfect way to achieve this experience.

Are shipping containers a good choice for a tent?

It's rare to find a tent customized to your needs, but the modular nature of shipping containers makes them easy to modify. You can add double doors, additional outlets, and even install a fully-functional kitchen. They're also big enough to house all the amenities you may need during your trip.
