What is shipping container camping?

Campers also seem increasingly interested in exploring new ways to camp, like glamping or RV excursions. Shipping container camping also made the cut, helping provide the camping industry with a functional, safe, and aesthetic alternative. Below, we'll explore what it's really like to spend time at a campsite made entirely from cargo containers.

Are shipping containers a good choice for a tent?

It's rare to find a tent customized to your needs, but the modular nature of shipping containers makes them easy to modify. You can add double doors, additional outlets, and even install a fully-functional kitchen. They're also big enough to house all the amenities you may need during your trip.
