Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not). This is about ...

Hello everyone, I learned that the phrasal verb "to cut someone off" can be used meaning "to stop having a close or friendly relationship with someone". My question is: Was ...

Designed for efficiency, reliability, and user flexibility, this inverter includes ...

With dual controllers supporting 11,000W solar input, it delivers reliable 120V/240V pure sine wave electricity--perfect for whole-home backup, workshops, or off-grid living.

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal ...

Designed for efficiency, reliability, and user flexibility, this inverter includes time-scheduled charge/discharge settings, SUB mode for hybrid solar-grid charging, and a built-in 200A circuit ...

Built specifically for off-grid homes and commercial users, it is compatible with 48V storage batteries and features a powerful charging controller and parallel capability to meet higher ...

Here is a summary table of five top-rated inverters designed for off-grid energy systems, combining advanced solar charge controllers, robust power output, and smart ...

In BE, "off work" means not working, possibly because of illness, or because you are on leave or have a holiday. Therefore, in BE, your question would make sense.

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off" and "day leave"? Thanks in ...

These inverters convert DC power from solar panels or batteries into usable AC electricity for appliances. Below is a summary table of top-rated off-grid inverters that balance ...

Built specifically for off-grid homes and commercial users, it is compatible with 48V storage batteries and features a powerful charging controller and ...
