Can a military department transfer a closing installation's utility systems?

C7.6.2. The Military Department should find a mechanism and willing recipient to help in transferring a closing installation's utility systems to local entities (public or private) before the date of operational closure, or as soon as practicable after closure, to provide continuity of service.

What is the base disposal and redevelopment process?

Although Figure C2.F1. depicts a seemingly linear and sequential series of events, the base disposal and redevelopment process is a series of concurrent activities that can be subdivided into the following three principal phases following Federal property screening: C2.3.4.1. Phase One, Base Redevelopment and Disposal Planning: This phase consists

How does delisting work?

Understanding how delisting works reveals the critical factors and subsequent impacts on shareholders and the company's financial health. Companies usually delist because they want to go private, are taken over by private equity firms, or fail to meet the minimum standards set by their exchange.

How does the Secretary of Defense dispose of buildings and property?

(iii) The Secretary of Defense shall dispose of buildings and property under clause (i) in accordance with the record of decision or other decision document prepared by the Secretary in accordance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).
